AMA Urges New Role for Physicians: Team Leaders

Traditionally, medicine was a “lone-wolf” profession, in which physicians treated patients individually, referring patients to specialists only when necessary. But medical advancements require more specialized services, and one provider can’t do it all.

Now, the American Medical Association (AMA) is urging physicians to embrace the healthcare team model—and lead it.

HealthlinkNY Network to Pilot Workplace Mental Health Toolkit

The HealthlinkNY Community Network is

working with regional employers to design a toolkit to assist employers to be more responsive to employees who experience signs of mental illness or a behavioral health concern.

Phil Ginter explains why the toolkit is needed to fill a gap in workplace wellness programs.

First Friday Treasure Hunters at HealthlinkNY

HealthlinkNY's lobby was filled with people in search of treasure at our May First Friday as the BiziFit Treasure Hunt took place in Downtown Binghamton. The hunt took treasure seekers through a one-mile loop, with stops at popular landmarks, including HealthlinkNY!

Of course, when you consent to let providers use HealthlinkNY to access your information, they'll never have to hunt for your medical records again!

HealthlinkNY is a Qualified Entity (QE) funded by the New York State Department of Health (NYS DOH). We operate the Health Information Exchange (HIE) to support collaboration between healthcare providers in 13 counties in the Hudson Valley and Southern Tier of New York. Our HIE also serves as the region's access point to the Statewide Health Information Network of New York (SHIN-NY).

HealthlinkNY has emerged as the region's hub of health information and improvement, and provides vital support to healthcare delivery reform (DSRIP) provider systems. The HealthlinkNY Community Network spearheads the population health improvement programs (PHIPs) in the Hudson Valley and the Southern Tier of New York.
